Hi Charlie,
Could we get on a conference call to discuss this?

Ex. 5 Deliberative Process (DP)

Whatever time is good for you will work for Chris and me.
Thanks

Chris recently asked me to assist with research on the disposal issues for Pile 1. Was wondering if you could forward to me any profiles and other correspondence with facilities. Also who is the Veolia POC?

I understand that the LDR issues with respect to UHCs -dioxin is causing concern with facilities. Can you provide some background on this?
